TALLINN FOODFEST MAGAZINE 2018

OFFICIAL FAIR MAGAZINE

TALLINN FOODFEST MAGAZINE

is the biggest free magazine for food professionals, the only official publication of the Tallinn FoodFest 2018.

This magazine is unique and incomparable in Estonia both for its contents and print amounts. The Tallinn FoodFest Magazine presents important topics and trends in food production and service, catering, sales and hospitality fields.

The TFF Magazine includes a **FAIR CATALOGUE**, with detailed information about the participating companies and program.

The Magazine is strongly targeted first and foremost for specialists in the field, however, it is also interesting reading for anyone with in-depth interest in food and service topics.

The magazine is an opportunity to inform fair guests about news and special fair offers and campaigns. The magazine will benefit your company before, during and after the fair.

The circulation of the magazine is 10 000 copies, of which 6000 will be mailed before the TFF to companies in the target group across Estonia, and 4000 distributed free of charge to visitors of the fair.

Magazine will contain 116 pages.

TALLINN FOODFEST IN NUMBERS:

- over 150 exhibitors
- 6500 + leaders and specialists from the food related businesses (food industry, sales, HoReCa, delivery of equipment and machines)
- 2500 regular consumers, hobby chefs, pastry chefs, bakers, etc.
- over 250 food industry visitors from neighbouring countries
- 10 + professional competitions, seminars and presentations

TALLINN FOODFEST MAGAZINE 2018

TECHNICAL REQUIREMENTS FOR THE ADS:

- PDF format
- correct dimensions
- no colour separation (composite)
- the resolution of the images in the files (300 dpi) has to be equal to double the screen frequency (150 lpi)
- in colour adverts, all the objects and images have to be in the CMYK format (not SPOT, Lab, RGB or other)
- in designing adverts, please avoid using small black text and rich black for lines
- for large black surfaces, please do use rich black (for example C:40; M:30; K:100)
- the total ink limit for design and images is up to 300%
- in black and white adverts, all objects and images have to be either in grayscale or as black and white bitmaps (not SPOT, Lab, RGB or other)
- each print advert should have exactly 5 mm of bleed for each outer edge
- all fonts have to be embedded or converted to vectors.
- the file cannot have any signs of cutting, registration or other
- the file cannot be cropped in Acrobat with the crop tool, all crop margins have to have a 0 value
- we suggest using Photoshop for all photo transformations (zooming in and out, reflections, etc), not a design program
